

# MAKE A SLY STATUE

You'll Need: Scissors & a Glue Stick

1. Cut out all the pieces.
2. Slice the tail slot.
3. Glue the body.

4. Fold the feet along the dotted line. Glue the foot tabs onto the inside of the body (so the feet stick out of the body)
5. Put the tail in the Tail Slot.
6. Congratulate yourself. You did it!
